

NEW ZEALAND PAROLE BOARD

NZPB COVID-19 Advisory – 14 August 2020

Kia ora tatou

With confirmation that the current COVID-19 settings will remain in place we can update you on the plan for New Zealand Parole Board operations.

All hearings will be held via audio visual link (AVL) for the next two weeks.

Registered victims in the greater Auckland area who are unable to travel to make an oral submission can arrange with the Board to connect via AVL from a local Community Corrections centre. To make arrangements the Board can be contacted via info@paroleboard.govt.nz

Written submissions can still be made in the normal way to the Board.

The Board will continue to monitor the situation and will make any updates as required.

Sir Ron Young
Chairman
